ACTIVITIES AT HAMMOCK BEACH™ RESORT

# We Achieve

Welcome to Hammock Beach™ Resort, a pristine oceanfront resort offering endless activities and ideas for your corporate outing. Our full-service recreation department is ready, willing and able to assist with any of your group needs – you won't even have to leave our property.

Recreation as a channel for innovative thought has for many years been underrated – here at Hammock Beach™ Resort we have the tools, ability and know

“When we all work together, we all win together...”

### Boat Regatta

This activity is based on the ambitious notion that teams can build a boat out of a few meager supplies to compete in a bona fide regatta – while carrying a passenger! Our “first mates” will be on hand to add fun and humor while groups quickly learn the concepts of teamwork and creative problem solving.

Each team presents their creation in the “Parade of Boats,” performs their team cheer or song and ‘christens’ their watercraft, as they prepare to test their boat’s seaworthiness. One sailor must board the vessel and paddle, fast and furious, around the Lazy River (weather permitting).

Two hour activity, can be done indoor or outdoors.

**Prices starting at \$25 per person with 16 person minimum.**

### Beach Olympics

This is an extraordinary experience that motivates, challenges and brings your group together in a way they’ve never imagined before. Emphasis is placed on team participation and camaraderie, rather than individual play and skill. The playing area is set by our beach with our staff providing humorous commentary. Our referees provide game instruction, timekeeping and score keeping. Medals are provided for the winning team.

### To The Rescue

Fulfill your life long dream of living in a comic book! Teams will be given a camera, a box of items, craft supplies, and a couple hours to design, star and create their own comic book. Take the comic book and the memories back to the office for everyone to enjoy for many years to come.

**Prices starting at \$40 per person.**

### Volleyball Tournament

If you are looking for a way to get out of the meeting room and out in the sun, then why not try a volleyball tournament? It can be specially designed to meet your needs. From pick-up games to “King of the Beach”, we have just what you are looking for. Time frame depends on the size of the group and is an outdoor activity.

**Prices starting at \$150 with 12 person minimum.**

### Night Spiker Volleyball

Glow-in-the-dark volleyball is an awesome way for everyone in your group to participate no matter their age or skill level. If your group is looking for something new and interesting to do at night, then this is an activity for you. This can be set up for free play or a tournament. Time frame depends on size of group and is an outdoor activity.

**Prices starting at \$800 with 12 person minimum.**

**Prices starting at \$35 per person.**
