Fit for Life: This light functional class focuses on balance and physical skills for mildly disabled and healthy adults who want to maintain an active lifestyle.

Flow Yoga: This class tends to be a mixture of meditation, breath-work and energizing movement. It usually begins with gentler movements to warm up the body, then transitions to progressively more challenging flowing sequences.

H2O Tabata: This 45-minute Aqua-Workout uses Tabata intervals 20/10 to get a great cardio and strength building workout. All levels welcome, and non-swimmers as well.

Hatha Yoga and Meditation: A mindful 30-minute Hatha yoga sequence and 30-minute restorative meditation class. Hatha will focus on restorative and gentle yoga postures to build flexibility and strength. Meditation practice will differ based on the theme of the yoga postures. The sequencing for this class can vary from Chakra style meditation to Yoga Nidra.

Move/Stretch/Strengthen: Get ready to break a sweat, get your heart rate up, and shape toned muscles in this new 45-minute workout!

Pilates w/Ball: This class comes with the exciting surprise of one of our several small props. Using bands and balls, you engage and intensify your body.
